The one almirah that is now in use in this Branch is quite full of current records & the want of another almirah is greatly felt.

On the 3rd floor there is an almirah containing the undermentioned papers most of which are now practically of no use whatever.

(1) The Mysore & the Port St. George Gazettes.

(2) Printed weekly Reports of Bombay, Madras & the Civil Station, Bangalore.

(3) Printed weekly Reports of the Mysore State.

(4) Spare copies of Notifications prohibiting the holding of Jatras &c & Notices of infected areas issued during the last years.

(5) Plague Returns received from the Districts & from the cities of Bangalore & Mysore.

Except the daily plague reports for the cities of Bangalore & Mysore no other reports are now being received in this Office. The number of plague attacks deaths reported therein are duly entered in a register & are also published in the Provincial weekly reports which are carefully filed & preserved.

The above papers therefore

(c) Blank returns.⊕

⊕ samples enclosed.

These are not now used here.

Except papers marked (1), (2) & (3) the rest may either be sent to Press for such use as ~~the Press~~ it may make or their destruction ordered.

Enclosure No.

With reference to his docket No. 1561, dated 21st June 1904, has the honor to point out that forms of the kind referred to therein should be forwarded to the Superintendent, Central Jail, and not to this office vide Government Order No. 15882-921 Mis 225/1 dated 26th March 1902. His docket No. L.B.P. 1483 dated 27th May 1904 was accordingly transferred to the Superintendent, Central Jail for disposal and the Secretarial forms were directed to carry the enclosures direct to the Jail to avoid transmission of the same from this office to Jail.
